

New Year Gift: Metro coaches arrived with overwhelming welcome from Pune Pimpri Chinchwad citizens

First metro train of Pune Pimpri Chinchwad arrived in city with tremendous response from the citizens. This three coaches metro train arrived on 12 axle truck after travelling 1400 Km distance. Pune metro work is going on with great speed and civil work, laying of rail, OHE work, signalling works are completed on record time and now the arrival of Metro trains another milestone.

Pune metro train coaches were welcomed by citizens of Pune Pimpri Chinchwad at City boundary with overwhelming response. Pune metro Facebook page followers has crossed 5 lakh mark and the members of "Pune Metro Fan Club" and "पुणे मेट्रो मित्र" were very excited about the arrival of coaches. The members of both group were constantly in touch with metro officials and they were very anxious cheerful & joyful about the arriving of coaches in the city. They wear the traditional Maharashtra headgear "pheta फेटा" and a Dhol - Tasha ढोल - ताशा band for welcome with dance.

Incidentally the first citizen of the city and mayor Mrs Mai Dhole (माई ढोरे) also joined the celebration and welcomed the metro train by performing pooja.

Soon these coaches will be placed on elevated track at Sant Tukaram Nagar station. This is rare coincidence when the metro train will first be seen on Sant Tukaram Nagar station, the only station on Pune metro named after the great Saint "Sant Tukaram". The trial for running the metro train will soon begin after completion of mandatory inspections.
