

Ministry of Housing and Urban Affairs, Government of India confers 'Award for Excellence in Urban Transport' to Maha Metro Rail Project for Best Multi-Modal Integration

Date: 30th October 2021

Ministry of Housing and Urban Affairs confers the '**Award for Excellence in Urban Transport- Metro Rail with the Best Multi-Modal Integration**' to Maharashtra Metro Rail Corporation, which is executing metro rail project in Pune and Nagpur city.

There are 17 cities in India where the metro is operational or in construction phase. Among these metro project Maha Metro has been awarded for excellent and extra-ordinary work in multi modal integration of metro rail with other modes of transport.

Today, On 30th October 2021, Shri. Hardeep Singh Puri, Honorable minster, Ministry of Housing and Urban Affairs Govt. of India handed the award to Dr. Brijesh Dixit, managing director, Maha Metro. The event took place in New Delhi where the UMI conference 2021 is underway.

On this occasion, Maharashtra Metro Rail Corporation's initiative was highly appreciated for integrating the different modes of transport at various Metro stations. Maha Metro is implementing multi-modal integration at the following places in Pune, namely, Swargate, Shivaji Nagar, Civil Court, Phugewadi, and Pune Railway station.

In the light of this event, Maha Metro's MD said," Maha Metro has taken special efforts to implement multi-modal integration in Pune and Nagpur metro projects." The award received today is recognition of the efforts took by us. Maha Metro is committed to provide excellent urban transport for the Pune and Nagpur city.
