

PIL no's 79/19, 61/19 and 28730/19 were listed for hearing before the bench of Hon'ble justice SC Dharmadhikari and justice RI Chagla today, the petitioners had challenged the decision of the National Monuments Authority by which on 10/9/2018, National Monuments Authority had refused permission to MahaMetro to construct metro near Aga Khan Palace.

The petitioners had also challenged the realignment on the ground that the procedure under the MRTP act had not been followed.

The high court has dismissed all the petitions holding that the national monuments authority was right in its decision and that others grounds of challenged have also been rejected.
