

PuneMetro Taking Measures To Prevent Spread Of COVID-19

With the corona virus threatening to run riot, prevention is the best cure to this Pandemic. Maha Metro - Pune is live to this situation and has got into response mode to ensure good health of all its employees as well as those of the contractors. Efforts at all levels are being made to ensure a healthy atmosphere for the employees. The following steps at war footing are being taken by one and all towards this: -

- All casting yards where there are labour camps and workers population is high has been sealed and entry of outsiders has been restricted. All persons entering into the casting yard are being checked for their body temperature and are being provided with sanitizers and mask before entering the work premises.
- The intricacies of this virus are being explained to all through awareness programmes being conducted at all its offices and construction sites.
- Qualified Doctors and paramedics are educating on the Do's and Don'ts and urging them to follow it strictly. They are also checking the employees on regular basis.
- Display boards on COVID 19 have been put at all prominent places to educate all on how to protect yourself and others.
- All employees are being offered sanitizer before they enter any office or site. They are advised to wash their hands with soap and water frequently.
- All are being impressed upon to wear mask and this is being followed strictly.
- Health monitoring by Doctors.
- No handshake policy implemented at all installations.
- Deployment of Doctors at site and labour camps to monitor the health status.
- Focus on Health and Hygiene at place of work and at place of living.
- Suspension of all gatherings at all offices, sites and camps.
- Thermal Screening of employees at entrance of work place.
- The names of persons to be contacted with regards to COVID 19 along with their mobile number has been intimated to all employees.

Maha Metro - Pune is committed towards its employee's health & wellbeing and is ensuring that stern precautions are taken to prevent it.

नोवल कोरोना वायरस (कोविड-१९)

स्वतः सुरक्षित रहा, इतरांनाही सुरक्षित ठेवा
काय करावे आणि काय करू नये

काय करावे ✓

वेळोवेळी हात धुवावे. जरी हात स्वच्छ असतील, तरीसुद्धा हाताला अल्कोहोल आधारित हॅण्डवॉश किंवा साबण आणि पाण्याने स्वच्छ करावेत.

शिकताना आणि खोकताना आपले तोंड आणि नाक टिश्यू/रुमालाने झाकावे.

उपयोगानंतर टिश्यू पेपरला लगेच बंद करारा पेटीत टाकावे.

जर आपल्याला ताप, खोकला आणि श्वास घेण्यास त्रास होत आहे तर डॉक्टरांशी संपर्क करा. डॉक्टरांच्या भेटीसमयी आपले तोंड आणि नाक झाकण्यासाठी मार्क किंवा कपड्याचा उपयोग करा.

जर आपल्यामध्ये कोरोना वायरसचे लक्षण असतील तर कृपया राज्य हेल्पलाईन क्रमांक किंवा आरोग्य मंत्रालयाच्या २४x७ हेल्पलाईन क्रमांक ०११-२३९७८०४६ यावर कॉल करा.

गर्दीच्या ठिकाणी जाण्याचे टाळा.

जर आपल्याला खोकला आणि तापासारखे वाटत असेल तर कुणासोबतही संपर्कात येऊ नका.

आपले डोळे, नाक अथवा तोंडाला स्पर्श करू नका.

काय करू नये ✗

सार्वजनिक ठिकाणी थुंकू नका.

आपण सर्व एकत्रितपणे कोरोना वायरसशी लढू शकतो
